First option: Full payment of \$650 registration fees. Payment must accompany this form. Check, cash or credit card. CC# _____ Exp. _____

Second option: \$275 due with this registration. Balance of \$375 to be paid by November 15th. Initial payment must accompany this form. Please circle how you intend on paying the balance by November 15th. Check, cash or credit card. CC# _____ Exp. _____

Third option: Online Credit Card Payment Plan—I have selected one of the payment plans from the online registration. ***To use this payment option YOU MUST register at www.dakotaalliancesoccer.com and log onto the online payment system located on the Competitive and Paperwork page. This option will only be available the months of September, October, and November 2016. The Competitive paperwork must still be fill out and returned to the DASC office.***

Volunteer Options

DASC is successful thanks in large part to member volunteer participation to support its events and reduce operational costs. For those members who may not be able to volunteer their time, there is an option to choose a \$50 opt out fee instead.

If you are able to volunteer, please identify two (2) areas where you would prefer to volunteer your time among the following options and order them by your first and second preferences (with 1 being your preferred choice):

Indoor Tournament (December and February)

Outdoor Tournament (June)

Other — Landscaping, Miscellaneous, etc.

If you are unwilling or unable to volunteer, please check the opt out box below:

Opt Out — \$50 to be paid with your first registration payment

The money collected from the \$50 opt out fee will be used to compensate additional staff necessary for the Club's tournaments. Any remaining balance will be put towards the scholarship program. Please understand that the Club would prefer volunteer assistance over the opt out fee.

If none of the above payment plans work for your family, DASC is willing to work out a payment plan that will suit both you and DASC. Please contact Jan at the DASC office to work out a suitable payment plan.
