Birth Certificate Requirements for Indoor 2018/2019 Registration

As of Fall 2009 the US Soccer Federation has mandated that every player's birth date be verified with a COPY of their Birth Certificate. The Birth Certificate must accompany the registration for players who are new to DASC or have not yet provided a copy to DASC. Proof of age shall consist of a State Certified Birth Certificate, a Uniformed Services Identification and Privilege Card (DD form 1173) issued by the uniformed services of the United States, birth registration issued by an appropriate government agency, drivers license, Board of Health records, passports, alien registration card issued by the US Government, or certificate issued by the Immigration and Naturalization Service attesting to age or certification of an American citizen born abroad issued by an appropriate government agency. DAKOTA ALLIANCE SOCCER CLUB CANNOT ACCEPT HOSPITAL CERTIFICATES OR BAPTISMAL RECORDS. A player cannot be registered until the birth date has been verified with the Birth Certificate.

Winter Information

This is a league for players born in the year 2009 and 2010 and who want a more competitive league and practices. Guidelines include following a set training curriculum, mixing training groups, mixing teams after each playing season, small roster sizes, mandatory coach education for academy coaches, parent education and most importantly a focus on the individual player, not on the team.

Training for Winter begins in November 2018. For more information on times and schedules, please contact Gabe Wortman at academy@dakotaalliancesoccer.com or 661-7887. Training sessions will be held at the Sanford Field House located at 2215 W Pentagon Place.
